KZN CIRCULAR NO 31 OF 2009

APPLICATION FOR LIQUOR LICENCE OR OCCASIONAL PERMITS

1. The regulations for safety measures at schools (amendment published in government gazette no. 29376 of 10 November 2006) (hereinafter referred to as the regulations) stipulate that 'no educator, parent or learner, and no other person, may possess or use alcohol during any activity.'
2. A school activity is defined as 'any educational, cultural, sporting or social activity of the school, within or outside of the premises.' "Public school premises" includes a building, structure, hall, room, office, convenience, land, enclosure, which a member of the public has a right to access, or is usually admitted, or to which he or she or may be admitted.
3. Therefore, schools that apply for liquor licences or occasional permits will be acting contrary to the Regulations and their requests will not be entertained by the department.
4. Your co-operation will be highly appreciated.
