Dear Dr Nzama

HOME EDUCATION REGISTRATION TOOLS FOR IMPLEMENTATION IN 2018

The Department of Basic Education (DBE) has developed tools to monitor the provision of Home Education. The tools include a MS word registration form and the electronic registration form which is linked to the capturing tool.

The tools were presented by EMIS to Council of Education Ministers (CEM) on 14 September 2017 and were approved for piloting in all provinces. The piloting took place in November 2017 and inputs from provincial departments were incorporated in the final tools.

Kindly receive the attached final Home Education Tools for implementation in 2018. The tools will be availed on Thutong for parents to access and even on the provincial website. For more information, please contact Ms Rirhandzu Baloyi at baloyi.r@dbe.gov.za.

Yours sincerely

MR HM MWELI
DIRECTOR-GENERAL
