SUBJECT: MUSIC THEORY TUITION AND REGISTRATION FOR GRADES EXAMINATIONS FOR CHOIR CONDUCTORS IN 2014

1. All current and prospective choir conductors who wish to develop themselves in Music Theory and Choral Technique are hereby requested to register their names with the district Co-Curricular Services: Arts and Culture officials.

2. The above stated Choir Conductors Development Programme will be implemented in collaboration with the Trinity College of Music in London. Tuition will be provided by the Department of Education free of charge and all registered conductors will be expected to write the Grades Examination conducted by the Trinity College for which they will pay to the College.

3. All workbooks and past examination question papers are obtainable from the College’s website at a cost. Registered conductors will be advised accordingly on how to get this learning material.

4. This is an opportunity not to be missed. Interested conductors must contact their district Co-Curricular: Arts and Culture officials.

5. Classes are starting in January and Registration for the Examination closes in February 2014.

6. Your cooperation will be highly appreciated
