OPERATION BOUNCED BACK LAUNCHED IN ILEMBE DISTRICT

Following the steep decline of the National Senior Certificate results in KwaZulu-Natal. The Department of Education launched its operation bounce back strategy in Ilembe District, yesterday 24 February 2015. The main intention is to improve the performance of the province in all grades, particularly grade 12.

While addressing the meeting the MEC, Ms Neliswa Peggy Nkonyeni informed the gathering that the Department of education will strengthen the capacity of School Management Teams (SMT) to ensure that the SMT monitors the implementation of the curriculum. In her closing notes the MEC said “all stakeholders should work together with the department in promoting the Quality Learning and Teaching Campaign so that together we will improve the standard of education in our province”.
