The Department officially opened Maphambili Primary school in the Zululand District in Sovane area. This infrastructure project cost the Department an estimated amount of R5 million. The newly built school consists of 7 classrooms, 10 ablution facilities and 1 admin block. Mr Sipho KK Nkosi (member of the Kwazulu-Natal Legislature), represented the MEC for Education, Ms Neliswa Peggy Nkonyeni (MPL). In his address he said, “We as the Department of Education, will strive for a better and quality education for all and we hope that this will be a monument that the community will treasure and it will be a constant reminder of the struggle.”
