THE TELEMATICS LAUNCH IN ZIKODE HIGH SCHOOL

The Department of Public Enterprises officially opened the Zikode Telematics centre in Zikode High school at Ladysmith, on Saturday, 14 March 2015. This program was sponsored by Telkom Holdings. 14 schools will be benefiting from this program in the Uthukela District. Mathematics dictionaries, mobile science lab, 4 laptops and sanitary towels were among things that were donated on the day.

The Senior General Manager: Curriculum Management and Delivery, Dr EV Nzama, expressed his greatest gratitude to Eskom and Department of Public Enterprises for this program. “I regard this as a beginning of great things in the province and I believe that it will help us to reclaim our shine. Eskom and the Department of Public Enterprises have transformed our dream into reality as we strive to provide quality education,” said Dr Nzama.
