COMPUTERS FOR BONGIMFUNDO LEARNERS

The MEC for Education in KwaZulu-Natal, Neliswa Peggy Nkonyeni, MPL, and SIMS Recycling Solutions, officially handed over 12 computers to Bongimfundo Primary School, in Ilembe District. In her address, the MEC said, “We have started with E learning systems in KwaZulu-Natal and with these computers learners will have access into internet. The doors of learning and culture are open for everyone.”
