KZN CIRCULAR NO 47 OF 2015

Winter and Spring Classes for Grade 12 Learners

1. The department, in collaboration with stakeholders will implement a comprehensive winter and
   spring classes that seek to ensure an improvement for the Class of 2015. The programme will
   run during the winter and spring vacation respectively.

2. The winter and spring classes will be targeting the following categories of learners:
   • Progressed and retained learners
   • High flyers
   • Learners in schools that performed below 60% in 2014

3. The targeted subjects will be high enrolment subjects, especially those that impacted on
   the overall performance in 2014.

4. The purpose of the project is to ensure that learners are provided with dedicated support on a
   continual and sustainable basis.

5. Districts will inform all targeted schools regarding the programme. Other schools not
   included in the programme will continue with their own plans.

6. In addition to extra classes, all schools must ensure that they complete their curriculum for
   grade 12 by the end of August 2015. The remaining period after August will be dedicated and
   targeted for revision purposes.

7. The remuneration rates for stipend, S & T and other costs remain the same as per agreement for
   the 2014 programme.
