KZN NSNP Circular No. 28 of 2018

SUBJECT: SUPPLY AND DELIVERY OF NSNP COMPLIANT SOYA

1. In December 2016, the Department of Education advertised a bid for the supply and delivery of food items for schools under the National School Nutrition Programme (NSNP).
2. Attached with the bid document, was a Food Specification pack which provides details among others, the packaging, and quality of products to be supplied for the programme.
3. The bid was then awarded on the 30th of June 2017, and service providers starting deliveries from July 2017. The awarded service providers were required to sign a Service Level Agreement which also emphasizes the compliance to the menu and clause 8.3 reads thus *“the service provider shall comply strictly with NSNP prescribed menu”*.
4. This then indicates that all appointed service providers had to comply with the terms and conditions of the agreement.
