MEC MSHENGU TO PRESIDE OVER THE OFFICIAL OPENING OF THE LUBAN WORKSHOP AT THE DURBAN UNIVERSITY OF TECHNOLOGY

The MEC for Education in KwaZulu-Natal Mr Kwazi Mshengu will preside over the official opening of the Luban Workshop at the Durban University of Technology.

The event is hosted by the DUT in collaboration with Professor Lui Bin, President of the Tianjin Vocational Institute of China. The Luban Workshop will provide technical and vocational training to promote modern education and collaborate with vocational schools around the world.

“We will continue to prioritize education and skills development as we work towards achieving universal access to education, improving on the quality of primary education as well as enhancing the effort of strengthening education and vocational training” - remarked MEC Mshengu.

The event will take place as follows:

Date: Monday, 16 December 2019

Venue: DUT Ritson Campus, enter using Gate 09, Ritson Hall.

Time: 10H00

Media are invited to cover the event.
