MEC MSHENGU REELING WITH SHOCK FOLLOWING DEATH OF A TEACHER

The MEC for Education in KwaZulu-Natal Kwazi Mshengu has learnt with shock and disbelief the unfortunate killing of a teacher this morning, 11 June 2019 at Masuku Primary school, which falls under uMlazi District.

The deceased was allegedly shot dead by two random people who had gained unauthorized access to the school premises, this is beside the fact that the school does have a security guard officially employed by the Department of Education.

"These are the most painful news i have had to deal with since assuming office. On behalf of the entire education fraternity, I wish to send heartfelt condolences to the family and friends of Mr Nyawose" ~said MEC Mshengu

We call upon the law enforcement authorities to investigate the circumstances which might have led to this barbaric & heartless act, and possibly apprehend the perpetrators.

The Department of Education in KwaZulu-Natal will today, 11 June 2019 visit the school & the family of the deceased teacher to pay its respect and provide any possible support.
