

## education

Department:  
Education  
PROVINCE OF KWAZULU-NATAL

Mr. Kwazi Mshengu  
KZN MEC for Education

As a result of the academic break necessitated by the Corona Virus, the Department of Education in KwaZulu-Natal wants to inform learners, parents and the community that it has planned lessons that will be flighted on various radio stations, newspapers and on different digital platforms. Listen to your favourite radio stations and read your favourite newspapers for more details on these lessons. KZN Education MEC, Kwazi Mshengu, reminds all learners that this is not a holiday and they need to work hard and use these media lessons profitably.

During these challenging times, the MEC has urged all stakeholders to work together and support the children as they learn from home.

All KZN community radio stations, lessons will be between 9h00 - 12h00, (Monday to Friday),

Ukhozi FM lessons will be at 21h00, (Monday to Thursday),

Vuma FM lessons will be between 9h00 - 15h00, (Monday to Sunday),

East Coast Radio and Gagasi FM will announce their programmes on air to inform learners of the lessons that will be taking place, (Monday to Friday).

CAPS radio will announce their programmes through social media platforms, (Monday to Friday).

The announcements will be a constant reminder for all learners and the KZN Education website will provide information for lessons that will be taking place. All programmes will take place from March 23 to 29.

... Leading Social Compact and Economic Emancipation  
Through a Revolutionary Education for all
