Re: POSTPONEMENT OF MEETING:
SCHOOL HEALTH SCREENING PROGRAMME

Dear Colleagues,

This Office was informed this morning by the Dept of Health that the School Health Screening meeting that was scheduled for 22 June 2010 at 10:00 at Natalia Building, Pietermaritzburg, has been postponed until further notice. The Dept of Health was instructed by their National Office to embark on a community outreach programme with regard to the immunization of polio and measles. They will notify our Dept of a proposed date to have this very important meeting.

It would be appreciated if the relevant officials from SDSS and G&M could be informed of the postponement.

Duly Signed

MRS C T SIFUNDA
