THE DOORS OF LEARNING ARE WIDE OPEN

In the past two months, the MEC for Education in KwaZulu-Natal, Mthandeni Dlungwana, traversed the length and breadth of the beautiful province of KwaZulu-Natal to officially open state-of-the-art schools that are built to ensure that learners, regardless of their race or where they come from, get their education in modern and beautiful facilities. Following is the pictorial evidence of the work done by the MEC, as he was responding to the dictates of the Freedom Charter.
