## CELEBRATION AND HONOURING OF HIS MAJESTY, KING MISUZULU KAZWELITHINI ZULU

1. The Department of Education in KwaZulu-Natal is joining the province in celebrating and honouring His Majesty the King. This is part of the proud history of our province which will continue to be taught in our schools for many generations to come.
2. It is in that regard that the MEC for Education in KwaZulu-Natal, Ms Mbali Frazer, is dedicating Tuesday, 30 August 2022, as a day for schools and the Department to celebrate this historic event.
3. The MEC is, therefore, requesting all schools in the province to participate in this celebration by encouraging all teachers, learners and all other employees to wear their traditional attire on Tuesday.
4. In addition, the MEC commits to work together with His Majesty in pursuit of quality public education in the province. That is part of the Department's dedication and honour to the late King Zwelithini kaBhekuzulu, the Patron of Education, who dedicated His time and resources towards transformation of education in the province.
5. Kindly bring the contents of this circular to the attention of all schools and employees of the Department.
