KZN CIRCULAR NO. 118 OF 2022

NATIONAL SENIOR CERTIFICATE PROVINCIAL PRAYER WEEKEND 2022

The end of each academic year signals a moment whereupon all learners are expected to sit for their final examinations. This follows a ten month process in which educators have worked tirelessly preparing learners for their ultimate goal.

As part of a larger group of learners across the country, all Matric learners from the province of KwaZulu-Natal will commence their NSC examination on the 31st October 2022.

It is upon the basis of this important milestone that the MEC for Education and the Head of Department call upon all faith based organisations/ churches to pray for the class of 2022.

The Department requests that all matriculant learners attend their temples/churches in their school uniform on the weekend of **22nd – 23rd October 2022**.

May we all unite and pray fervently for good health, safety and serenity of our learners during the examination period.

Mr G.N. Ngcobo

Head of Department: Education
