CIRCULAR NO.76 of 2022

SUBMISSION OF MID-YEAR ASSESSMENT RESULTS TO SASAMS

The office of the Head of Department would like to thank all Teachers, Departmental Heads, Deputy Principals and School Principals for managing the administration and conduct of mid-year assessments successfully.

At the beginning of quarter three the province and the 12 education districts must report on attainment of learning outcomes as shown by the mid-year assessment results.

Department:
Education
PROVINCE OF KWAZULU-NATAL

This is very important because the system has no other way of checking its progress, achievements and challenges except for analysing learner performance.

During the administration and conduct of mid-year assessments, subject papers were written on different dates. Some were written earlier and some were written towards the school closing date (24 June 2022). Therefore the submission of results to SASAMS (Foundation Phase – FET Phase) must be done over a number of days. Schools must begin to submit quarter two results to SASAMS on 19 July 2022. The last date for submission of quarter two results to SASAMS is 22 July 2022.

In case there is a school which is unable to submit midyear assessment results by 22 July 2022, the matter must be reported to the District Director who must ensure that learners' performance records are made available to the system.

Please note: The arrangement between Dr. R. Penniston (Chief Director for Assessment, Examinations and Quality Assurance) and District Heads of Examinations regarding the submission of common test results still stands.

Yours sincerely

MR. G. N. NGCOBO: _____
