NATIONAL SCHOOL NUTRITION PROGRAMME (NSNP) TENDERS 2022: PNT0630 – PNT0841

NB: The schools are clustered in terms of close proximity as far as it is feasible, however the schools are primarily clustered in terms of their enrolments within the municipal ward and/or local municipality for purposes of enrolment equitable distribution across clusters to ensure that clusters are economically viable and that the schools with smaller enrolments are not unfairly disadvantaged in respect of bidding by prospective service providers.
