#### **KZN LEARNER TRANSPORT CIRCULAR NO. 21 OF 2024**

#### **RE: VERIFICATION OF SCHOOLS AND LEARNERS BENEFITING FROM DEDICATED LEARNER TRANSPORT IN 2024**

1. Throughout year 2023, the Dedicated Learner Transport Programme was one of the programmes which received ardent focus from various oversight committees, the Department of Basic Education, as well as the National and Provincial Treasuries. This interest was partially due to issues reported, relating to the programme's inadequate funding.
2. In view of the above, and in anticipation of the same scenario for 2024, the Department has resolved to commence preparations for reporting on the programme. Colleagues are thus requested to populate the attached template for each school which will assist in reporting on the number, names of the schools and list of learners benefiting from the programme.
3. The template, and the report contents thereof, must be submitted to the Directorate: Learner Transport, by no later than the 28<sup>th</sup> of February 2024.
4. Kindly share the template with all benefiting schools and bring the contents of this circular to all concerned

Kind regards
