REGISTRATION APP FOR KZN QUALIFIED EDUCATORS

1. The Mobile App for the registration of qualified educators was launched by the MEC for Education, Mr K.I. Mshengu, on 12 February 2020. All qualified educators who are not permanently employed are required to register on this App to be eligible for employment.
2. This Mobile App is available on both Apple and Android phones from the Apple Store and Google Play Store respectively and can be accessed by searching for "KZN Qualified Educators". This App allows for online registration and the upload of all qualifications and other supporting documents.
3. It must be emphasized that only registration via this Mobile App will be utilised for all future appointments and that previous online registrations are no longer valid. As such, all unemployed qualified educators must register using this App.
4. Attached is the step by step walk-through for navigating the App.
