## HR App Update:

13 March 2020

### HR APP A HUGE SUCCESS AFTER PLANNED SYSTEM MAINTENANCE

A Meeting was held yesterday, Thursday, 12 March 2020 and it was established that:

- There were a number of educators that have registered;
- A number of them who were experiencing problems with the registration have been assisted;
- A number of principals have been using the App to indicate that they have vacancies;
- We now know the subjects, grades and phases that educators are qualified for and the districts!
- The HR Unit is engaging other units within the Department regarding the advocacy of the processes!
- The Recruitment through the HR App will very soon start to pick up in terms of numbers.

We appreciate the feedback that we receive from the end users.
