

SAMC

South African Mathematics Challenge

Challenge Yourself!
Do Better!
Be Rewarded!

South African Mathematics Challenge

Registrations open in January 2026

Endorsed by the
Department of
Basic Education!!

Grade 4 - 7

First Round: 16 to 20 March 2026

Closing date for entries: 27 February 2026

The South African Mathematics Challenge is organised by the South African Mathematics Foundation (SAMF) in cooperation with the Association for Mathematics Education of South Africa (AMESA) and South African Mathematical Society (SAMS).

DIFFERENCE MAKERS™

REGISTRATION DETAILS

- The last day to submit your entries is 27 February 2026.
- Online entries: You can register and pay online via PayFast to ensure your entry!
- Manual entries: Email your completed entry form and proof of payment (we can only register your school if we receive both documents) to samc@samf.ac.za
- Absolutely no late entries will be accepted.

NB: Only schools that have registered for the First Round (i.e. submitted their entry form and paid the entry fee) on time will be allowed to participate in the First Round. We can only register your school if we receive both documents!

ENTRY OPTIONS

(See last page for details)

ONLINE OPTION (DO NOT SUBMIT ENTRY FORM) REGISTER ONLINE ON:

<https://www.samf.ac.za/en/challenge-entry-2026>

Schools outside South Africa enter online at R70 per learner which includes online registration; online payment; online participation through SAMF Online platform. (Only ONLINE option available i.e. no hard copies will be posted OR couriered OR emailed.)

MANUAL/PEN AND PAPER OPTION:

- South African schools at R45 per learner includes final instructions, question papers, answer sheets and solutions. These will be emailed as soon as we have received your entry form and proof of payment.
- Quintile 1 & 2 schools can enter unrestricted number learners free of charge provided they send confirmation letter of their Quintile status.

THE THREE ROUNDS

FIRST ROUND: 16 – 20 MARCH 2026

- The First Round is written at your school on any day in the week of the 16 – 20 March 2026. The recommended duration is one hour, but a little more time may be allowed.
- There are separate papers for grades 4, 5, 6 and 7. Each paper consists of 20 questions with multiple-choice answers.

Online Participation (OUTSIDE SA SCHOOLS ONLY):

- Register and participate online on SAMF platform.
- No marking or submission of results are required, since the papers will be marked by the system.

Manual Procedure:

- The papers will be marked by the teachers or *learners can mark and discuss it in class!* Memoranda will be emailed with the papers.
- After the First Round participating schools submit their results and names of Second Round qualifiers using the provided registration form.

SECOND ROUND: 20 MAY 2026

Learners scoring at least 50% (10 or more out of 20) in the First Round qualify to participate in the Second Round, which will be written on the 20th of May 2026.

- Learners will only participate as singles.
- There are separate papers for grades 4, 5, 6 and 7. Each paper consists of 20 questions multiple-choice answers.
- Only schools that have registered for the Second Round (i.e. submitted their Second Round Registration forms to SAMF) on time will be allowed to participate.
- The Second Round is written at individual schools.
- The answers are marked by computer.
- The Second Round results and certificates will be posted to participating schools. Schools that submit their results after the due date will receive their results and certificates **LATE** and their learners will not be considered for Final Round.

THIRD ROUND: 10 SEPTEMBER 2026

Approximately **400 best performing learners** from the Second Round will be selected to write the Third and Final Round on the 10th of September 2026.

- This round will be written at identified centralised venues per province (Information will be communicated as soon as the venues have been finalised).

WHY SHOULD WE ENTER?

- Mathematics competitions generate a lot of enthusiasm and curiosity for the subject.
- Learners will be exposed to problems that will test and improve their thinking, discovering and validation of problem solving methods. In short, they will become better mathematicians.
- The South African Mathematics Challenge is recognized as one of the best vehicle to identify talented learners in the country.
- The participation will result in a better quality of product from schools and will put their learners in a position to reap higher achievement in secondary school and later in tertiary institutions.

RESOURCES

- Working through old question papers is one of the best ways to prepare for the Challenge.
- Past question papers and solutions are available on our website- <https://www.samf.ac.za/en/sa-maths-challenge-past-question-papers-solutions>. Register as a user and log in to gain access to these resources.

DISQUALIFICATION

Kindly note all answer sheets will be analysed to identify any irregularity before Third Round qualifiers are announced. We appeal for professionalism to uphold the integrity of the competition. Should any irregularities regarding the writing of the papers be detected, the answer sheets of those involved will not be taken into consideration. Schools will be disqualified and reported to the school's authority!

AWARDS

Awards for learners in the Second Round

- A "Gold" Certificate of Achievement: $\text{Score} > 80\%$.
- A "Silver" Certificate of Achievement: $60\% < \text{Score} \leq 80\%$.
- A "Bronze" Certificate of Achievement: $50\% \leq \text{Score} \leq 60\%$.

Awards for learners in the Final Round

- Personalised Certificate of achievement.

National Awards for learners: (South African Entrants Only!!):

- Personalised Certificate of achievement.
- National winners per division (Senior Division AND Junior Division) will receive **GOLD** medals.
- National runners-up per division (Senior Division AND Junior Division) will receive **SILVER** medals.
- Top performing Learners per Quintile (Quintile 1 – 5), will receive Trophies.

Best performing learner (s): (Outside South Africa!!):

- Personalised Certificate(s) of achievement for Top learner(s) per division (Senior Division AND Junior Division).
- Personalised Certificate(s) of achievement for Runners-up(s) per division (Senior Division AND Junior Division).

National Awards for schools: (South African Entrants Only!!):

Best Performing Schools are presented with awards at the SAMF annual award function and the categories are:

- Overall Best Performing School.
- Best Performing Schools per Quintile.
