THE THREE ROUNDS

- 1 First round, 12 March.**
The junior division consists of separate papers for grades 8 and 9 and the senior division of a separate paper for grade 10, and a paper for Grades 11 & 12. Each paper consists of 20 multiple-choice questions and learners have one hour to complete the paper and the school can schedule its own time. Teachers at the entrants' school mark the answers. Each school will be provided with the solutions. This ensures immediate feedback.
- 2 Second round, 14 May 14:00 - 16:00.**
Learners who attain 50% and higher in the first round qualify for the second round. There are separate papers for the juniors and seniors. The grade 8 and 9 learners write the same paper, grade 10 - 12 learners write the same paper. The learners have two hours to complete 25 questions. Learners who participate in the second round will receive a certificate. Marking: The answers are marked by SAMF.
- 3 Third round, 30 July 09:00 - 13:00.**
The 100 best senior and 100 best junior learners from the previous round qualify for the third round. There are separate papers for the juniors and seniors. Third round participants will each receive a bronze medal and certificate. The top learners per division will receive their prizes at the annual awards function.

WHY SHOULD YOU ENTER

- Mathematics competitions generate a lot of enthusiasm and curiosity for the subject.
- Learners will be exposed to problems that will test and improve their ability to discover, validate and solve problems. In short, they will become better mathematicians.
- The Maths Olympiad is recognised as one of the best vehicles to identify the most talented learners in the country.
- Participation will result in the school providing improved skills and will better prepare their learners for university.
- The type of problems is similar to those used in entry level university testing and will provide especially the grade 12 learners with valuable experience.
- Working through past question papers is one of the best ways to prepare for the Olympiad
- Past question papers and solutions are available on our website - www.samf.ac.za Register as a user and log in to gain access to these resources.
- SAMF has a wide variety of publications. Visit our online store at www.samf.ac.za/en/shop to order.
