MEDIA RELEASE

CONGRATULATIONS TO THE NEWLY APPOINTED MEC OF EDUCATION IN KZN HONOURABLE Ms M FRAZER

The South African Principals' Association – KwaZulu Natal (SAPA KZN), congratulates Ms M Frazer on her appointment as the MEC of Education in KZN.

In her remarks, the Premier of the Province of KwaZulu Natal, Honourable Ms N Dube-Ncube stated today; "She (Ms Frazer) will be meeting with organised labour, school principals, school governing bodies and communities." SAPA KZN welcomes this assertion especially the commitment to meet with the school principals who are the driving force of education at school level.

SAPA KZN remains committed to our Mission, "through our collective and professional participation, strive to excel in our task through self-development and interaction as an independent, non-racial and non-aligned Association." We serve to promote and enhance educational leadership and effective school management.

In engaging this stakeholder in education, the MEC will be in line with one of the goals of the National Development Plan, which is to provide more support to professional bodies.

We look forward to working with the MEC in achieving excellence in education in the province of KwaZulu Natal.
