THE KWAZULU-NATAL DEPARTMENT OF EDUCATION APPOINTS ACTING PRINCIPAL OF GROSVENOR GIRLS HIGH SCHOOL

The KwaZulu-Natal Department of Education has appointed Mrs Fredericks as the acting Principal of Grosvenor Girls High School, and has assumed duties. The appointment of Mrs Fredricks stems from the Deputy Principal being suspended.

The Principal of Durban Girls High School has been requested to assist with implementing the financial systems for two months. The contracts of the SGB employees who were found guilty of fraudulently being employed, are being reviewed.

The South African Council of Educators (SACE) has agreed to assist with social cohesion programmes, that will assist in restoring order and peace within the school. Other recommendations are a work in progress.
