Winter Classes and School Holidays

PMB - The KZN MEC for Education, Mr Kwazi Mshengu wish our learners and school staff a safe winter vacation.

The Department of Education strives to improve the pass rate, starting at Grade R, working consistently, thereby achieving a minimum pass rate of 80% in the National Senior Certificate Examination.

“This is our goal, progressively achieving our vision of a 100% pass rate. We are visiting the 12 Districts and meeting with the District MANCO to hear the state of the District readiness and to encourage, support their Academic Improvement Plan and bridge the gaps.

We request parents and guardians to give full support to the Grade 12 Learners and ensure they attend our winter booth camps.”, said MEC Mshengu.

May God bless our children with wisdom and safety during the end of the second school term.
