KZN Provincial Examination Prayer

With less than 20 days before the Grade 12 Learners sit for the 2022 National Senior Certificate Examinations, the Department of Education in KwaZulu-Natal request all religious formation/churches to take part in the Provincial Prayer for the Class of 2022.

Having done everything to sharpen and prepare learners for the upcoming examination, the KZN Department of Education request congregations and members of the public, to edify the Class of 2022 by lifting them up to the higher powers of divine blessings.

The Provincial Prayer is going to take place on the weekend of 22-23 October 2022, where those who worship on Saturdays and those who worship on Sundays are requested to make time to pray for the success of learners at all levels, especially the Grade 12 learners.

On the said days, learners are requested to wear their school uniform when going to the place of worship.

“As a Department we are confident that our educators have done everything to prepare our learners to succeed, we now ask for believers of different spiritual persuasions to fervently pray for our learners,” said MEC Mbali Frazer.
