MEC FRAZER CONDEMNS THE TORCHING OF THE KWANOYCOYI PRIMARY SCHOOL PRINCIPAL'S HOME.

The MEC for Education in KwaZulu-Natal, Ms Mbali Frazer strongly condemns the regressive and barbaric act of the torching of the KwaNogcoyi Primary School Principal's home yesterday by unknown criminals.

Two weeks ago, two classrooms were burnt down by unknown people, disrupting teaching and learning at the same school.

"We condemn in the strongest possible terms this barbaric act of torching school infrastructure. Our principals as managers of education institutions should be protected and respected. They should not be subjected to such brutality.

The Department's infrastructure budget is already under serve strain caused by the recent KZN Flooding, storms and ageing infrastructure.

We hope that the law enforcement agencies are going to get to the bottom of this," said MEC Frazer.
