MEC FRAZER TO OPEN A STATE-OF-THE-ART SCHOOL IN THE UMLAZI DISTRICT

The MEC for Education in KwaZulu-Natal, Ms Mbali Frazer is going to open a state-of-the art Ullovu Secondary School, in Ullovu, in the uMlazi District on Friday, 12 April 2024. This world class learning institution, a smart school, costs the Department in the Millions.

“Consistent with our objective of creating a conducive and safe environment for teaching and learning to effectively take place, the Department continues to implement various Education Infrastructure Programmes across the Province of KwaZulu-Natal,” said MEC Frazer during her 2023/24 Budget presentation.

This undertaking by the MEC has seen the Department building and officially opening world class schools like Xoloxolo Primary School in the Harry Gwala District, Bhevu High School in the uThukela District, Bright Future Special School, under the Umlazi District and many others that the Department is still going to officially open.

“We want to ensure that each and every District and each and every community in KZN, benefits from the smart schools that the Department is constructing through out the Province of KwaZulu-Natal,” said MEC Frazer.

Being a smart school means that Ullovu Secondary School has Wi-Fi network with uncapped internet package for three years, learner laptops on laptop charging trolley, individual teacher laptops, 1 smart classroom with interactive screens, non-reflective whiteboard and data projector in each classroom and ICT laboratory with interactive ultra-short throw data projector.

The details of the event are as follows:

Venue: Ullovu Secondary School

Date: 12 April 2024

Time: 09H00

Members of the media are invited to cover this historic official opening by MEC Frazer.
