KwaZulu-Natal Department of Education - Educator Vacancy Bulletin

The KwaZulu-Natal Department of Education is adhering to a Ministerial directive to advertise all educator vacancies through an educators vacancy bulletin.

Presently, the Department is engaged in a thorough process of data collection, processing, and consultation with relevant units responsible for teacher staffing.

The Department is currently taking all necessary steps to ensure that teaching and learning is not compromised thus fulfilling the constitutional obligation, and will continue to ensure that there are no classes without teachers. This will be done, whilst attending to all procedural requirements prior to issuing the bulletin advertising Level 1 educator posts.

To this end, the Department wants to clarify that, there has never been an announcement made to release an educator bulletin on 01 August 2024.

"We want to reassure the education sector that all due processes will be followed before an official educator vacancy bulletin is released to the public," said the KZNDOE's HOD Mr Nkosinathi Ngcobo.
